WELCOME

TO GOLF FORE PEACE
FFI'S ANNUAL TOURNAMENT

Thank you for being part of Golf Fore Peace.

Your support helps FFI create life-changing leadership experiences for young people locally and around the world.

Together, we are helping youth become the best versions of themselves so they can help their community become the best version of itself. Together, we are building a more compassionate, peaceful, and connected world.

Thank you for making a difference.

WORLD PEACE...GROWN LOCALLY

ABOUT THE GOLF FORE PEACE TOURNAMENT

This tournament provides an opportunity to support our mission through individual and corporate sponsorships, as well as have some fun over a round of golf with your friends and colleagues.

For over fifteen years now, we have been lucky enough to receive lasting support and dedication through this wonderful golf tournament. We would not be where we are today without the support from all of you!

100% of the tournament's revenue will go towards supporting scholarships for young leaders from around the world, including New England. Simply by golfing, you are directly helping us work with more young leaders than ever before.

Thank you from the FFI Family!

WE ARE THE ECONOMIC ENGINE HELPING TO DRIVE THE SEACOAST ECONOMY

Port City Air: Driving More Business to Pease International Tradeport Each and Every Day

Port City Air, a locally owned business at Portsmouth's Pease Tradeport with more than 150 employees, has been pivotal to the New Hampshire Seacoast Region's growth for over 25 years. As the Fixed Base Operator at Pease, we specialize in aviation logistics, including fueling, maintenance, and repair while handling more than ten thousand flights annually. Our work, in addition to that of the New Hampshire National Guard, is helping maintain Pease's place as an international hub for military aircraft.

In collaboration with the United States Air Force and NATO, we service a mix of military and civilian flights, significantly impacting the local economy and contributing to over 7,000 annual hotel bookings in the area.

At Port City Air, we're not a national chain. We are unique in our singular focus on boosting the Seacoast and Pease Tradeport. We take pride in being a crucial part of Pease Tradeport's success and are committed to continuing our contributions to the Seacoast Region for years to come.

YEARS OF IMPACT

40

For forty years, Friends Forever International has helped young people discover their potential, build meaningful relationships, and develop the skills to strengthen their communities.

Today, we are building toward our next milestone.

Our goal is to grow the FFI Endowment to $10 million, creating a sustainable source of support that will fund approximately 100 youth scholarships every year, forever.

We have already reached more than $2.5 million, thanks to the generosity of donors who believed that investing in young people is one of the most powerful ways to strengthen our communities and our world.

Some gifts have been transformational. Others have been modest monthly contributions. Every one of them matters.

The FFI Endowment belongs to everyone who believes that young people deserve opportunities to grow, lead, and serve. Whether you contribute today, include FFI in your estate plans, create a named fund, or support our annual programs, you become part of the next chapter of this story.

Together, we can ensure that future generations of young leaders continue to have access to life changing experiences regardless of their financial circumstances. Contact Steve at **steve@ff.international** for more information or go to **www.ff.international/endowment**.

40 YEARS
OF BUILDING LEADERS

FROM TEN BOYS TO THOUSANDS OF LEADERS

In the summer of 1986, Bob Raiche welcomed ten boys from Northern Ireland to New Hampshire.

What began as a simple exchange rooted in friendship, understanding, and hope would become the foundation of Friends Forever International.

Bob believed that meaningful relationships could change lives. He believed young people had the ability to bridge divides, challenge assumptions, and help create a more peaceful world.

Forty years later, that belief continues to guide everything we do.

Friends Forever has grown from a single exchange program into a global leadership organization serving young people from New Hampshire, across the United States, and around the world.

Participants earn academic credit, engage in community service, develop leadership skills, and join an alumni network that stretches across continents.

While our programs have evolved, our purpose has remained remarkably consistent:

Helping young people become the best versions of themselves so they can help their communities become the best version of themselves.

And while FFI now works in many places around the world, we remain proudly connected to our roots. The exchange between New Hampshire and Ireland continues today and represents one of the longest continuously running youth exchanges connecting the United States and the island of Ireland.

What started with ten young people became a movement that continues to grow one relationship, one community, and one leader at a time.

1986–2026

1986
Bob Raiche launches Friends Forever and welcomes 10 boys from Northern Ireland to New Hampshire.

1990s
Programs expand and hundreds of young people participate in exchanges focused on understanding and leadership.

2000s
Friends Forever broadens its mission and begins developing leadership programs that extend beyond exchange experiences.

2010s
Alumni assume leadership roles and international partnerships continue to grow.

2020s
Launch of credit bearing programs, expansion of campuses, and growth of the global alumni.

2026
Celebrating 40 years of helping young people lead with empathy, resilience, and purpose.
